GSA Friends

GSA has an international reputation for the high quality of its training. Courses are accredited by the National Council of Drama Training and degrees validated by the University of Surrey.

GSA was founded in 1935 and is part of the Faculty of Arts and Social Sciences at the University of Surrey where it is situated in a state of the art building. Many generations have benefited from world class theatre training and GSA currently offers Undergraduate and Postgraduate training, a Foundation course, plus part-time courses, Summer/Easter Schools and a thriving Saturday School all of which compliment the three year degree and diploma courses.

The performances in various theatre locations across Guildford including the recently opened Ivy Arts Centre, which houses GSA Professional Production Skills students, make a valuable contribution to the lives of those who live in the area.
